HOLY HILL

SHRINE OF MARY — HELP OF CHRISTIANS

U.S.'s most favorite place of Pilgrimage. Known to be the highest located church in Wisconsin, 1500 feet above sea level. 30 miles from Milwaukee; 7 miles from HARTFORD, WISCONSIN, on Hwy. 167. It received the name "HOLY HILL" when the first cross was erected on its summit in the year 1858. From that humble beginning came the gradual, laborious, yet blessed development from a rustic log cabin chapel to the present magnificent structure.
